

DSCYF Emergency Child Care Site - Essential Personnel Certification

Revised May 5

Only employees designated as essential or employees of businesses permitted to open per Governor John Carney's announcement on May 5, 2020, and are unable to work from home may use child care at an emergency child care site.

Employees must certify to their licensed child care provider that they qualify as essential or are employed by an open business per the Governor's announcement on May 5, 2020, and cannot work from home. Please fill out the following verification:

I am considered essential personnel or employed at an open business, **and** cannot work from home.
